## PREVIOUS EMPLOYMENT

### Singh's Vietnamese (Front of house Management and Training)

January 2019 - May 2020

- Lead teams of workers on a daily basis by allocating workload to meet the individual's specific skill set allowing them to shine.
- Trained many employees in anything and everything available within the work establishment whether it be processes, interpersonal conduct, rules and regulations, or administrative work, customer satisfaction training, and certification help.
- Worked with administrative duties such as responding to emails, dealing with customer complaints, and helping build relationships with customers and workers as well as provided management communication with an emphasis on empathy.
- Managed inventory, stocking, ordering, and signed off on requested orders with an eye for detail, correcting if things were not shipped or if extra was included.
- Helped workers who confided in me with interpersonal problems, allowing them to work where needed, shift schedules to accommodate, and pick up work to help those when needed.
